ZenoCarb Cleaner

Combustion System Cleaner

ZENEX NUMBER 494405

DESCRIPTION

This product uses a high power blasting action plus a special blend of high strength solvents which quickly remove harmful deposits from internal chamber areas. This in turn restores the power, economy, and performance of the combustion engine.

FEATURES AND BENEFITS

Cleans carburetor to bare metal. Dissolves gums, varnish, carbon, dirt, and grease instantly with powerful flushing action. Regular use improves overall performance. Improves acceleration and eliminates rough idling and stalling.

APPLICATIONS AND USES

Cleans automatic chokes, PCV systems, manifold heat valves, carburetor linkages, thermostatic coils and butterfly valves.

DIRECTIONS FOR USE

Shake well before using. Turn off engine - remove air cleaner. Spray carburetor and carburetor throat. Start engine and spray inside of carburetor throat liberally.

SIZE / AVAILABILITY

20-oz. Aerosol
Net Weight 15.75 oz.
12 per case
